Pro-Line Photo Mounts are ideal for all photographers when selling individual prints

VERNON HILLS, IL, May 30, 2012: Neil Enterprises, Inc. has added five new styles of photo mounts to its Pro-Line series geared towards professional photographers. No longer just a go to spot for seasonal mounts, Neil Enterprises' new Pro-Line Photo Mounts offer elegance and sophistication for any occasion.

The new line of photo mounts was created due to a need from photographers looking to order high quality photo mounts quickly and efficiently. All of the new photo mounts are in stock and ship within 24 hours from when the order is received. Styles range from a tasteful marble design called the "Traditional Photo Mount" to the basic black called the "Timeless Photo Mount". Two additional styles feature a pop-out easel back that can be used horizontally or vertically.

All of the photo mounts are sold in cases of 100. Sizes range from 4" x 6" to 8" x 10". Pro-Line Photo Mounts are very economical with prices as low as \$0.27 each.
