NEW PRODUCTS RELEASE

Take note! Neil Enterprises introduces new desktop items

Write it down, new notepads in time for the new school year.

VERNON HILLS, IL, September 13, 2010: Neil Enterprises, Inc. has new products that are perfect for the back to school season. These new desktop items can be used with photo inserts, embroidery designs, or personalization and craft projects.

The **Sticky Note Holder (#655)** looks great sitting on anyone's desk, from a cubicle to a dorm room. The clear slip-in cover holds two inserts, one on each side. The acrylic holder fits standard sized sticky notes and memo paper. One sticky note pad is included and there's a small space in front to hold paper clips or other miscellaneous items. Keep notes private by closing the cover or leave it open to reveal the inside insert.

One can go crazy with customization when using the new **Portfolios (#6560/#6562)**. Available in two sizes, one has an insert area of 8-1/2" x 11" and the other 5" x 8". Create a personalized portfolio to use around the house, take notes in class, or carry around the office. Made of a leather-like material, the inside has a pocket and includes a pad of paper. Both sizes of portfolios are available in black, brown, red, fuchsia, light blue, and green.

Since 1961 Neil Enterprises has been an outstanding provider of unique and innovative photo and personalization products. Neil Enterprises, Inc. offers photographers, labs, dealers, and retailers the largest line of photo novelties available in the United States.
